

## 2019 FACT SHEET AND PLANNER

DERMATECH (PTY) LTD

Short Learning Programme Title
Threading

### 1. Type of Programme

- Dermatech Short Learning Programme

Short Learning Programmes (SLP) are designed to upgrade the skills and knowledge of the individual to ensure success in a chosen field of learning, but are non-credit bearing.

### 2. Description

The Short Learning Programme in Threading provides the student with the knowledge and skills to apply the correct technique with thread to create the perfect brow shape.

The purpose of the Short Learning Programme is to equip the student to work in the Health and Skincare industry as a professional Threading Technician. It is an ideal short learning programme to add on for nail technicians, hairdressers and make-up artists. It will upgrade the skill of an individual that works in a Salon or Spa environment.

### 3. Admission requirements

- Knowledge, comprehension and application of English language and Mathematical literacy at Grade 10 or equivalent.
- Admission may be subject to an interview with an academic staff member.

### 4. Duration

The Programme duration is 15 total hours comprising of:

- Theory (Self Study),
- Practical (On Campus Tuition for 7 hours),
- Case Studies
- Final Assessment

Dermatech Practical (On Campus Tuition) is scheduled at specific times of the year. Case studies need to be completed within 2 months from SLP commencement date. An assessment date will be scheduled after the successful completion of the case studies. After successful completion of the theory and practical assessment, certification will take place.

### 5. Textbooks and study material

All prescribed material and kit is included. A list of additional student material and textbooks, if necessary, will be provided by Dermatech academic department.

### 6. Pricing

Enquire at your nearest Dermatech Campus for a current SLP pricelist.
