3. Description

The purpose of this qualification is to produce fully competent hairdressers. Learners will acquire skills needed as hairdressers such as, hair and scalp treatments, cuts and styles hair, and they must be able to perform chemical hairdressing services in a professional, safe and environmentally responsible manner. On the completion of this qualification, a qualified learner is expected to:

- Shampoo, condition and treat hair and scalp.
- Provide hair-styling services.
- Provide hair-cutting services.

The **Level 2** qualification enables learners to develop towards becoming professional hairdressers. This is the first of three qualifications which culminate in a professional hairdressing qualification. This Qualification is designed to serve as an introduction to the hairdressing industry and provide the learner with the basics of hairdressing.

The **Level 3** qualification follows on from the Level 2 qualification in enabling learners to develop towards becoming professional hairdressers. This Qualification, registered at NQF Level 3, focuses on core hairdressing activities of cutting, relaxing, styling and colouring. In particular, the NQF Level 3 qualification should result in the learner achieving the status of a Junior Stylist, capable of performing many hairdressing services competently, though still under the supervision of a professional stylist.

The **Level 4** qualification follows on from the NQF Level 3 qualification in enabling learners to qualify as professional hairdressers. This Qualification, registered at NQF Level 4, focuses on advanced hairdressing techniques such as perming, advanced colouring and braiding and dreadlocks as well as on a series of management functions designed to assist qualified hairdressers to set up and manage their own businesses. This is a sector in which a very large number of skilled professionals set up their own businesses at some point during their career, and a significant number do so immediately after completing their qualification.

After completing NQF Level 2, 3 and 4 on campus it will enable learners to progressively obtain the National Certificate: Hairdressing once the required external practical work component of 18 months is completed.
