

## **2019 FACT SHEET AND PLANNER**

### **DERMATECH (PTY) LTD**

<b>Short Learning Programme Title</b>
<b>Anatomy and Physiology (Theory)</b>

#### **1. Type of Programme**

- Short Learning Programme (SLP)

Short programmes upgrade skills and knowledge to ensure success in a chosen field of learning, but are not credit bearing.

#### **2. Description**

The SLP in Anatomy and Physiology (Theory) will introduce the student to the different systems of the body. The programme is designed as a self-study programme. The purpose of the Short Programme is to equip the student with the knowledge of the different systems of the body linked to the Health and Skincare Industry. Lecturers will be available to attend to any questions.

This short programme is a pre requisite for SLP's in massage offered by Dermatech. This includes: Holistic Massage and Aroma Massage.

#### **3. Admission requirements**

- Knowledge, comprehension and application of English language and Mathematical literacy at Grade 12 or equivalent.
- Admission may be subject to an interview with an academic staff member.

#### **4. Duration**

The programme is compiled as a self-study module. The short programme is required to be completed within 4 months. Lecturers will be available to attend to any questions. After successful completion of the assessment, certification will take place.

#### **5. Textbooks and study material**

All prescribed material included. A list of student material and textbooks if necessary will be provided by Dermatech campus academic department.

#### **6. Pricing**

Enquire at your nearest Dermatech campus for a current programme pricelist.

#### **7. Additional costs**

Students must make provision for additional items such as stationary if not included.

## **2019 FACT SHEET AND PLANNER**

### **DERMATECH (PTY) LTD**

<b>Short Learning Programme Title</b>
<b>Anatomy and Physiology (Theory)</b>

#### **8. Syllabus**
