

2019 FACT SHEET AND PLANNER

DERMATECH (PTY) LTD

Short Learning Programme Title
Artificial Nail Systems

1. Type of Programme

- Dermatech Short Learning Programme

Short programmes upgrade skills and knowledge to ensure success in a chosen field of learning, but are not credit bearing.

2. Description

The Short Programme in Artificial Nail Systems provides the student with the knowledge and skills to apply, maintain and remove artificial structures, include Acrylic and Gel.

The purpose of the Short Programme is to equip the student to work in the Health and Skincare industry as a professional Nail Technician. With experience there is the possibility of applying to board the cruise ships as a Nail Technician.

3. Admission requirements

- Knowledge, comprehension and application of English language and Mathematical literacy at Grade 10 or equivalent.
- Admission may be subject to an interview with an academic staff member.
- Recommended to complete: Manicure and Pedicure SLP

4. Duration

The programme duration is 100 total hours and tuition is face to face. Dermatech tuition is scheduled at specific times of the year. Case studies need to be completed within 4 months from course completion. An assessment date will be scheduled after the completion of the case studies. After successful completion of the assessment, certification will take place.

5. Textbooks and study material

All prescribed material and kit is included. A list of student material and textbooks if necessary will be provided by Dermatech campus academic department.

6. Pricing

Enquire at your nearest Dermatech campus for a current programme pricelist.

7. Additional costs

Students must make provision for additional items or stationary if not included.
